

Notification on Data Protection regarding data processing in connection with the MIK Partners' Day of the University of Pécs, Faculty of Engineering and Information Technology and data handling statement of consent

The University of Pécs pays particular attention to act in accordance with the provisions of the Regulation (EU) 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (hereinafter referred to as General Data Protection Regulation), of Act CXII of 2011 on the Right of Informational Self-Determination and on Freedom of Information Act (hereinafter referred to as Info Act), and of other laws and the practice of data processing established by the Hungarian National Authority for Data Protection and Freedom of Information (Hungarian abbreviation: NAIH) when processing data.

1. Purpose of Notification

The purpose of this Notification is to provide information about the principles applied by Data Controller regarding the protection and processing of personal data of Applicants applying for the MIK Partners' Day of the University of Pécs Faculty of Engineering and Information Technology.

2. Description of Data Controller

Name: University of Pécs

Registered Office and mailing address: Vasvári Pál Str. 4; 7622 Pécs, Hungary

Represented by: Attila Miseta M.D., Rector and István Decsi, Chancellor

Organizational unit implementing data processing: Faculty of Engineering and Information Technology

Represented by: Dr. Gabriella Medvegy, Dean

Contact person: Dr. Brigitta Balogh

Contact email: balogh.brigitta@mik.pte.hu

Name of Data Protection Officer: Dr. Gergely László Szőke, PhD

Contact data: adatvedelem@pte.hu; +36 (30) 179 5672

3. Scope of personal data concerned

The scope of personal data processed includes the data provided during the registration period and still photos and filming at the event.

4. Purpose and legal base of data processing

4.1. Data Controller shall process personal data included in the online registration based on the Applicant's consent, according to Article 6 (1) a) of General Data Protection Regulation for the purpose of evaluating the application. If the Applicant withdraws their consent during the data processing period, their participation in the event cannot be granted.

4.2. The Data Controller shall process the Applicant's name, email address, possibly Unified Education System ID (Neptun Code), Chamber membership number and depending on the decision of the applicant the telephone number for the purposes of communication in connection with the application based on the Applicant's consent – according to Article 6 (1) a) of General Data Protection Regulation. In addition, covers management of photos and video recording taken during the event to promote engineering science, the event and the Faculty of Engineering and Information Technology of UP.

5. Period of data processing

The period of data processing expires after 5 years or until the withdrawal of the Applicant's consent.

6. Scope of persons acquainted with the data, transferring and storing data

Data may be accessed by authorized employees of the University of Pécs.

7. Data Safety

The Data Controller shall guarantee the security of the Applicants' personal data by applying necessary technical and organizational measures, including protection of data from unauthorized or unlawful access, accidental loss, destruction or damage. Further information on data safety measures applied at the University of Pécs may be found in Articles 20-22 of the [University's Data Protection Regulation](#) and in Chapter IV of the [University's Information Technology Regulations](#).

8. Rights of Applicants

8.1. Applicants are entitled to access information in connection with processing of their data, according to Article 15 of General Data Protection Regulation, in particular to be notified by Data Controller about

- the scope of their personal data processed,
- the purpose and legal basis of data processing,
- the source of data,
- the period of data processing,
- the scope of persons that gained access to or have been transferred their personal data, the date, legal basis and scope of such data transfer, and
- the Applicant's rights and possibilities of legal remedy regarding the processing of data.

8.2. Applicants have the right to correct inaccurate (incorrect or incomplete) data according to Article 16 of General Data Protection Regulation.

8.3. In case of data processing on the basis of consent, Applicants have the right to withdraw their consent in writing at any time, without reason according to Article 7 (3) of General Data Protection Regulation. The withdrawal of consent shall not affect the lawfulness of processing based on consent before its withdrawal.

8.4. According to Article 17 of General Data Protection Regulation Applicants have the right to obtain from the Data Controller the erasure of their personal data, in particular if the purposes for which the personal data were collected no longer exist, if the personal data have been unlawfully processed or if the Applicant withdraws consent on which the processing is based (and there is no other legal ground for the processing) or if Data Controller has granted the objection as a result of the right to objection to the processing of data.

8.5. Applicants have the right to request restriction of processing their personal data according to Article 18 of General Data Protection Regulation. In this case such personal data shall, with the exception of storage, only be processed with the Applicant's consent or for the establishment, exercise or defence of legal claims or for the protection of the rights of another natural or legal person or for reasons of important public interest of the Union or of a Member State.

8.6. Applicants have the right to receive the personal data concerning him or her, which he or she has provided to Data Controller, in a commonly used digital format and have the right to transmit those data to another controller, according to Article 20 of General Data Protection Regulation.

8.7. Applicants have the right to object to the data processing according to Article 21 of General Data Protection Regulation.

8.8. Detailed rules of exercising the Applicants' rights regarding data processing are laid down in the Data Protection Regulation of the University of Pécs, downloadable from the following link: <https://pte.hu/adatvedelem>

9. Applications may exercise their rights according to the following

Claims regarding data processing shall be submitted by email to the contact person indicated in the Call for Applications of the scholarship or to the University's Data Protection Officer by email (adatvedelem@pte.hu). If submitted by post, Applicants shall address their claim to Dr. Gergely László Szőke, Vasvári P. u. 4. 7622 Pécs, Hungary.

Applicants may contact the Hungarian National Authority for Data Protection and Freedom of Information (mailing address: 1530 Budapest, Pf.: 5., telephone: +36 (1) 391-1400, email: ugyfelszolgalat@naih.hu, website: www.naih.hu) in case they feel their rights regarding data processing have been violated or there is an imminent danger of their violation. Applicants may seek legal remedy at court in case of violation of their rights and may submit their claim at the competent court according to their place of residence or stay based on their choice.

The Data Controller will ensure that contents of the Notification on Data Protection and consent for the processing of personal data is available and accessible to the Applicant to save on the online registration area of the MIK Partners' Day.

The Candidate declares that he/she is aware of the contents of this Notice by making an explicit online declaration in the online registration area of the opening of the school year.

By agreeing with the consent statement found on the registration page of the MIK Partners' Day, the applicant agrees that the personal data provided during the online registration, such as his/her name, e-mail address, possibly Neptun code, Chamber membership number and depending on the decision of the applicant the telephone number, may be processed by the Data Controller for the purpose of contacting him/her in order to organise the MIK Partners' Day and the applicant agrees to the use of photos and video footage taken during the event to promote engineering science, the event and the Faculty of Engineering and Information Technology of UP.
